

**Buy the shed that's  
designed better  
and built stronger.**

## Ten quick reasons why to buy your shed from a Shed Alliance reseller

- 1 Buy what you want, custom designed instantly and for free in moments.
- 2 Buy it for the same price or better than other "standard sheds".
- 3 See your shed with 3D design and your choice of colours before you buy it.
- 4 Buy a stronger shed with stronger materials and stronger connections.
- 5 Choose from our options: roller doors, auto close motors, personal doors, glass doors, windows, security screens, skylights, whirlybirds and more.
- 6 Our sheds are supplied with guttering and downpipes as standard.
- 7 Full range of Bluescope Colorbond colours to choose from.
- 8 Be assured that your shed complies with BCA Codes, all Australian Standards and is supplied with engineered plans and certification for each state.
- 9 The biggest range of steel buildings, carports and patios available from any supplier in Australia.
- 10 Supplied with engineering plans and certification to suit any windload Australia wide.
